

## **The Doko Meadows Commemorative Tree Project**

A vibrant tree benefits everyone in this and future generations and is perhaps the most fitting memorial of all. Adopt trees in celebration of birthdays, anniversaries, new births, and any special occasion. By adopting trees in **Celebration**, you can honor your loved ones while caring about the environment.

Adopting a tree in **Memory** can inspire energy, faith, devotion, and courage and carry forward the name of those memorialized in a living, vital way that grows grander with the years.

The Town of Blythewood is delighted to partner with the Blythewood Garden Club to provide the opportunity for individuals, families and organizations to adopt a tree at the beautiful Doko Meadows Park to commemorate a special person or occasion.

Please review the tree types that are currently being planted at the Doko Meadows Community park and are available for adoption.

Complete and mail the attached **Commemorative Tree Donation Request Registration Form** along with your check made out to the Town of Blythewood for the donated tree and send to:
