

Exhibit A

Residential Sub-Contractors

The Town of Blythewood Code requires each General Contractor to provide a complete list of all sub-contractors for each building project. All "Trade" sub-contractors must be licensed before commencing work. However, the General Contractor below may select the "blanket license" option for all the "Specialties" and no individual license is required. A Certificate of Occupancy will not be issued for this project until all fees and penalties are paid.
